### TASTING NOTE

Baked spiced apple, maple, pistachio and vanilla mascarpone aromas combine to form a rich, delightful nose. The use of an acacia wood barrel and wild yeasts together have imparted an extra dimension to the flavour profile of this wine; lovely texture with spicy complexity, juicy fruit and balancing acidity.

### FOOD MATCH

Cured meats and goat's cheese. Pulled pork.

### VINEYARDS

Crafted from a selection of small blocks located at the Western end of Waiheke Island, Viognier thrives in our warm Maritime climate. The grapes were hand harvested when flavours peaked inside the small window of optimum ripeness that occurs with this variety. Our vineyard management is sustainable and environmentally friendly.

### WINEMAKING

Carrying on last year's theme, 2014 saw another load of happy staff foot squish a portion of the hand harvested Viognier, whilst the remaining fruit was delicately whole bunch pressed. We really like the textural element foot stomping and macerating brings to the finished wine. The pressed juice was run to both a stainless steel tank, and French acacia and oak barrels for fermentation. We tried out some wild ferments in barrel this year which delivered incredible results! The wine was then rested on lees for five months before gentle fining and filtration. As a result of our curiosity and adventure, this wine has turned into a delicious, complex number with multiple layers, and is perfectly expressive of the vintage and site upon which it was grown.
