SAUVIGNON BLANC, 2021|2022

Lime zest, guava and passionfruit. The alluvial gravel and ocean influenced terroir of this site gives a chalky mineral element to the wine which is reminiscent of lime sorbet, the salinity fits in with the well-directed crisp acid for a long finish.

PINOT GRIS, 2021|2022

The smell of summer jumps from the glass. Fresh Pacific Rose apples and white flowers are supported by notes of rock melon, manuka honey and wet river stone. This wine has a grapefruit pithy bite that drives focus back to the palate.

PINOT ROSE, 2021|2020

The palate is full of juicy pink grapefruit, with a hint of lime and pomegranate flavours. The finish has beautiful minerality combined with a soft pithy texture and leave you feeling refreshed with focused acidity.

PINOT NOIR, 2019|2020

Deep and complex savoury aromas of cherry wood, gun-smoke, rose petal, Campari and dried herbs integrate with underlying earthy tones. The palate is vibrant and poised with wonderful balance and distinguished tannin structure.

CHARDONNAY, 2019|2020

This wine has vibrancy and complexity, with lemon blossom, grapefruit, peach and earthy clay pot aromas complementing a fresh and focused palate. The salinity from the ocean, baking spice flavours from ageing in oak, together with juicy tree fruit notes from the grapes, round out what is a truly charming wine from a fantastic vintage.

VIIGNIER, 2021

Elderflower, pomegranate, a combination of mangoes and limes supported by the freshness of the island summer sea breeze pour from the bottle.

SYRAH, 2019|2020

Vibrant, fresh and layered with charisma, the Syrah bounces with blueberry, rose, cherry, red peppercorn and earthy spice. The palate is both intense and delicate, has lovely body with supple juicy fruit and spice paving the way to great textural mouth feel and well-founded tannin structure.

FIVE HILLS, 2019

This blend of merlot and malbec has leather, blackberry, date and Doris plum aromatics, combined with toasty spices from the oak. The palate has solid tannin structure and beautiful shape, which will integrate and soften with time and ageing in the bottle.
